
Report for the 2025

Brief activity report

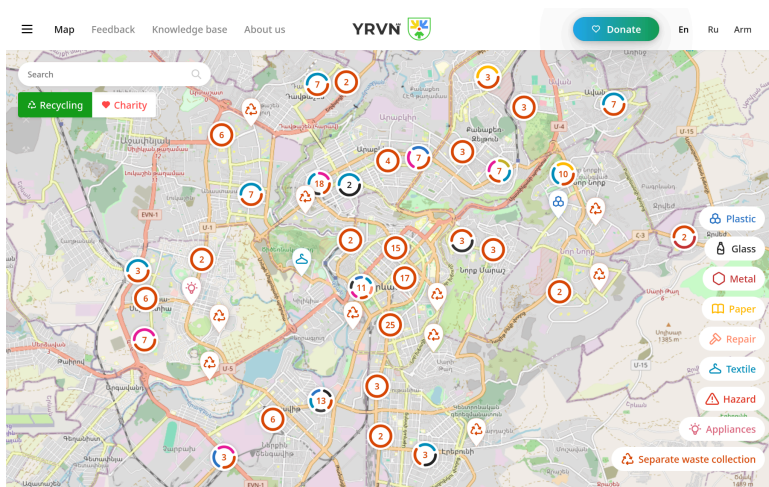

*AI generated "Green Yerevan" vision by Dall-E from Openai

Projects

ECOMAP.AM (Former YRVN.AM)

As our focus shifts from Yerevan-centric to Armenia-global, the YRVN.AM portal was rebranded into ECOMAP.AM. We have also added a weather and air pollution layer, and works commenced on water resources, greening, and biodiversity layers.
